Discovery N Adventure

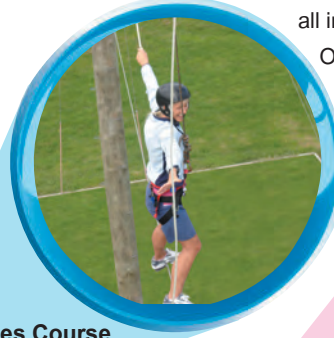

### Adventure Based Learning

Initiative and problem solving activities are the first steps of a program designed to develop communication and trust.

### The Low Ropes Course

Comprising of 11 activities, each encourages goal setting, trust, communication, self / team confidence, awareness, and most importantly, fun.

### The High Ropes Course

Our challenge by choice philosophy allows participants the freedom to push beyond their perceived limits. They will grow in confidence through any of the 13 high rope activities while 14 metres in the air.

### Giant Swing

The Giant Swing is a high adrenaline experience delivering a force of 3G (equal to a space shuttle launch) which is guaranteed to thrill!!!

### Event Centre Hire

If its a celebration or a conference the event centre is the perfect venue. It includes in house catering and a licensed bar.

### Urban Assault Course

18 elements, designed by the NZ Army to challenge and develop individuals and teams.

### Paintball

Experience the thrill and excitement of Paintball. Birthday's, corporates, tourists, schools, young and old, paintball is fun for all!

### Leap of Faith

Designed for 1 to 4 people simultaneously while 15 meters up. Participants stand on a square metal platform and dive towards a trapeze or ball.

### Rock Wall

15 metres high, with 6 climbs, each of varying difficulty. Abseil down the rock walls or the third side open face.
