

The friendly place to stay®

All Seasons Holiday Park Taupo

Stay once, stay always

Great accommodation for school and sporting groups.

The Lodge rooms are great for accommodating larger numbers of people in one area. Basic bunk bed accommodation and the use of the communal showers and toilets, and of course a shared communal kitchen, is ideal for group bookings.

There are plenty of bench top elements, microwaves, fridge/freezer, lockable cupboards and pots and pans in the kitchen. We do hire crockery/cutlery for a small hire charge. Outside we have plenty of outdoor picnic tables and gas BBQs.

The three standard cabins are great for a little comfort. You will find a TV, tea making facilities and fridge for convenience. (Communal facilities.)

The kitchen cabins are a group of four units with two sleeping areas. Each unit has a kitchen, TV, fridge and microwave. (Communal facilities.)

Nearby to all the above there is a guest lounge/TV room, and a games room with the pool table and DVD player. The thermal plunge pool is always nice for a soak.

We can offer self-contained units with a shower and toilet inside and cooking facilities. A BBQ area is situated near these units.
