Coopers Beach in the real Far North, we are situated at 154 State Highway 10, overlooking a beautiful pohutakawa lined beach which has safe under-road access. There is a convenient shopping centre just two minutes walk from the gate.

### We provide

Accommodation for up to 125 people in two dormitory blocks with attached modern ablutions plus cabin style accommodation and a self contained motel type facility. Mattresses are provided but you need to bring your own bedding for all but the motel facility. The camp is self catering with a large fully equipped kitchen plus chiller room attached to the dining/recreation hall. All facilities have disabled access.

### Activities

Activities available at no extra charge include a fabulous flying fox, canoes, trampolines, volleyball, confidence course – and we have recently added 'ice hockey' to the on-site fun. If this is not enough there is that lovely safe beach immediately opposite the camp.

### Local attractions

include the historic township of Mangonui, whaling museum, bushwalks and much more. We are within easy reach of 90 mile beach and just two hours from Cape Reinga.

### Bookings

Bookings are available for groups only. Special rates apply for schools. For current charges contact us directly.

### Coopers Beach Camp

is operated as a Charitable Trust by an Oversight Committee and managed by live-in site managers, Alan and Beverley Scott. We can be contacted on (09) 406 0219 or email us at cbcyc@xtra.co.nz

Further information, including a detailed map of our situation, can also be found on the Christian Camping website [www.cci.org.nz](http://www.cci.org.nz).
