www.loavesandfishes.co.nz

www.freelanceadventure.co.nz

www.campcatering.co.nz

Local store five minutes drive.

Campers to supply their own plates/cups and utensils.

Off-site activities:

Beach access in walking distance.

A walk that includes 490 steps to the top of the ridge starting from the beach mostly through bush with amazing views.

There is the Gannet Colony to visit.

At low tide you can walk through an amazing cave viewing starfish clinging to the rocks. Plenty more sought after archaeological rock formations.
