STAFF

Our staff are a special kind of people. They are dedicated to personal development for participants through fun and interactive opportunities. They are masters of fun and they are trained to look after their campers with safety and flair. Your kids will come home raving about how fun their camp was.

SAFETY

We have held **OutdoorsMark** safety accreditation since 2009. Your Board can see in one glance that all our safety management system is up to par, without time-consuming checks on paperwork.
